PHYSICAL

ACTING

Mime & Physical Acting Artist Residency

with
Michael Lee

Develop physical acting skills with...

- Character Archetypes
- Physical Suspension
- Dramatic Rhythms
- Movement Styles
- Vocal Integration
- Breath work
- Original solo and ensemble creations

And a physical work out too!

Michael Lee performs, teaches and directs across the U.S. and Canada. Original theater works range from hilarious comedy to epic dramas. His award-winning plays have been performed at the International Thespian Festival. Currently teaching and coaching physical acting for Olympic ice dance teams from around the world, including the 2014 gold medalists Meryl Davis and Charlie White.

Michael is one of the last and most advanced students of the late French mime Marcel Marceau, who said, "You have a distinct drama and strength... the caliber of my own company."
